Feb 20 (Reuters) - The sister of fraudster Bernie Madoff, who was convicted of masterminding the largest known Ponzi scheme in history, and her husband died last week from an apparent murder-suicide, authorities said on Sunday.

Madoff's sister, Sondra Wiener, 87, and her husband Marvin were found with gunshot wounds on Thursday in Boynton Beach, Florida, according to a statement from the Palm Beach Sheriff's Office.

"After further investigation it appears to be a murder/suicide," the office said. The medical examiner will determine the cause of death.
